

SoftEng306

Software Engineering Design 2

A/Prof Oliver Sinnen

Parallel and Reconfigurable Computing (PARC) lab
Department of Electrical, Computer, and Software Engineering
University of Auckland

2020

About me

Dr Oliver Sinnen

- Associate Professor
- Department of Electrical, Computer and Software Engineering
- Since 2004, before: Lisbon, Portugal and Aachen, Germany

Teaching

- Computer Systems Engineering, CompSys201, CompSys301, Compsys304/CompSci313
- Software Engineering, SoftEng253, SoftEng306, SoftEng751 (461), SoftEng710
- and ElectEng101

Contact

- Room 405.751
- Email: o.sinnen@auckland.ac.nz

- Course split into two large projects, each covering 6 weeks
- Project 1: with me
- Project 2: with Dr Reza Shahamiri
- 1st: 5-student groups, well specified, traditional development methods
- 2nd: 7-student groups, refactoring, iterative development methods
